## Protocols & Procedures

Due to the Covid-19 virus pandemic we have had to make some changes and add procedures to enable us to hold the obedience trial as safely as possible. We will be following the mandates set by the State of New York as well as the protocols set by the Suffolk Obedience Board. -Masks, **which fully cover your mouth and nose**, will be required while in the facility at ALL times. -Temperature checks will be performed as you enter the facility. If your temperature is normal, you will be issued a wristband that is to be worn for the day. -Social distancing of at least 6 feet is required while in the facility. -The number of persons inside the facility and in each area will be limited. There will be no spectators permitted at this time. -Only Dog competing and next dog in the ring will be allowed in the facility. -Exhibitors shall wait outside at a safe distance until trial personnel indicates they may enter the facility. We will allow handlers to enter the building to use the restroom facilities. Handlers may be asked to wait outside until others have exited to ensure we have not exceeded the allowed count of persons in the facility. - There will be **NO CRATING** of exhibitor's dogs in the building. - There will be no food or water provided. Everyone should bring their own food/water for themselves and their dogs. -We will be adjusting the manner in which we generally run the AKC obedience trial. Instructions shall be given at briefings and posted throughout show site. **-If you feel ill for any reason, PLEASE stay home. -Any person not cooperating or complying with the trial protocols shall be excused from the trial site and NO REFUND shall be issued. We are doing our best to ensure everyone has a safe and fun weekend. This is new to us all and we will be making adjustments as needed. -We appreciate your cooperation and patience and thank you in advance.**
