

SOTC Reopening Building Maintenance Protocol

Floors in building shall be cleaned and sanitized on a weekly basis.

Contact surfaces shall be cleaned with a sanitizing spray or wipes as often as possible. Before and after classes.

Many touch points have been eliminated throughout the building. Lids on trash bins removed (they will be raised up so dogs cannot access).

Automatic sanitizing dispensers have been placed throughout the building. Sanitizing wipes and or spray sanitizer will be available to clean all surfaces touched.

Each person should provide their own mask/face covering; however, we will have available extra masks or bandanas for those who have forgotten or whose mask has broken.

No food to share is to be brought in or left in the building or the refrigerator. All drink bottles must be removed by persons bringing them.

No items to be left at the club. Any items brought into the building must be taken with them when they leave.

We are not accepting raffle items for donation at this time.

We ask students to pay by check or voucher (voucher books of 5 classes available at the club or contact Kit: kitodonoghue@yahoo.com)
