

Suffolk Obedience Training Club Opening – Week of June 22nd

Dear Members and Friends,

Please note the schedule of classes has changed. At this time, we are not offering Drop-in classes. Class, Routine or Rally size will be limited to 4 or 6 as per instructor's discretion.

YOU MUST Pre- Register for the classes you wish to attend.

To register contact: Kit O'Donoghue at: kitodonoghue@yahoo.com (put SOTC class reg. in subject header) or phone: 631-266-6245. Include your contact info, day of class & which class you wish to take. I will pass this info on to the instructor & they will contact you as to the availability of each class.

Once you have a confirmed class slot you may reserve several weeks at a time. (This is encouraged & recommended).

If classes fill, we will try to add needed classes as time allows to accommodate as many as we can.

We ask that you give the instructor ample notice for dates you cannot attend.

Payment by either Check or Voucher (we have voucher books available for purchase, either at the club or contact Kit.) No cash or credit card accepted at this time.

Masks or face coverings covering entirely your nose & mouth are required in the facility.

Please DO NOT come to class if you or a family member show any signs of sickness. You will not be charged for a missed class due to illness.

As the situation and government mandates are constantly changing, we will adjust accordingly. We ask for your patience and understanding.

This is new for all of us and will take time to get used to the changes. We want all to be comfortable and feel safe while training at the club. It will be nice to see our friends and get back working/playing with our furry partners.

Tentative Schedule of Classes: As of 6/22/20

Monday: Evening: **Beginner - 7:30 PM**
Novice - 8:30 PM
